Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Section 15303
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The project was reviewed in accordance with the California Environmental Quality Act (CEQA) and the City's environmental guidelines and is categorically exempt from the provisions of CEQA under Class 3 - New Construction or Conversion of Small Structures (CEQA Guidelines Section 15303). This exemption consists of the construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. The project proposes the construction of a limited in footprint new structure to house a wireless communications facility and the construction of a new small equipment enclosure which combined will total 466-square-foot. Therefore, no additional review is necessary.
