SUBJECT: State agency review extension of the Draft Environmental Impact Report in Compliance with Title 14, Section 15087(a) of the California Code of Regulations Prepared for the Market Place Rezone Project

NOTICE IS HEREBY GIVEN:

The State Clearinghouse (SCH) Draft EIR Summary page was found to contain a grammatical error in the Lead Agency Contact (name and email). The contact information was incorrectly entered upon upload of the Draft EIR to the SCH on June 7, 2024, to which SCH was later notified of this error on June 27, 2024. The Notice of Availability, Notice of Completion, and City website all contain the correct contact information for providing comments regarding the Draft EIR. Additionally, state agencies are directed by the SCH to send all comments via email to state.clearinghouse@opr.ca.gov for upload onto the project SCH page. Therefore, the identified grammatical error is not considered an inhibitor to state agencies' ability to provide comment.

The City of Tustin has updated the following aspects of this project:

- Revised the contact information on the State Clearinghouse Draft EIR Summary page to the following:
Name: Samantha Beier
Email: HousingElementRezone@tustinca.org

All other project information remains the same.

If you have any questions, please contact Samantha Beier at 714-573-3354 or HousingElementRezone@tustinca.org.

Thank you,
