To Whom It Concerns,

As the Caltrans Agent of Representation for SCH 20240504, I would like to request a minor change to the project. We are now requesting that the SCH send a notice of the project to the California Transportation Commission since they are a responsible agency for this project.

A revised Notice of Completion and Environmental Document Transmittal form has been provided in the email accompanying this memo. The previously submitted SCH Submittal Summary form is correct and already lists the California Transportation Commission as a responsible agency. As requested, this memo describes the requested changes.

Sincerely,

Michael Hollier
