Project Description: Article XL of the San Diego County Code of Administrative Ordinances established the duties, responsibilities, membership, and selection of the Palomar Airport Advisory Committee (PAAC). In January 2022, the County Independent Redistricting Commission completed redistricting of the supervisorial districts, and as a result, the Board approved a resolution directing staff to return with an amendment to Article XL to better align PAAC membership with the redistricting. On February 7, 2024, an amendment to the Ordinance was introduced that would more closely align PAAC membership and selection with the new supervisorial districts and to allow the committee to continue to provide its expertise and guidance. The proposed action includes adopting the aforementioned amendment.

Date Form Completed: February 28, 2024

This is to advise that the County of San Diego Board of Supervisors (County decision-making body) has approved the above described project on February 28, 2024 (#4) (Meeting Date/Item #) and found the project to be exempt from CEQA under the following criteria:

Exempt status and applicable section of the CEQA (“C”) and/or State CEQA Guidelines (“G”): (check only one)

- Categorical Exemption:** Sec. G
- Declared Emergency:** Sec. C 21080(b)(3); Sec. G 15269(a)
- Emergency Project:** Sec. C 21080(b)(4); Sec. G 15269(b)(c)
- General:** Sec. C.
- Ministerial:** Sec. C 21080(b)(1); G 15268
- Preliminary Review:** Sec. G 15060 (c)(3) - Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
- Statutory Exemption:** Sec. G

Statement of reasons why project is exempt: Section 15060(c)(3) of the CEQA Guidelines provides that an activity is not subject to CEQA if it is not a project as defined in Section 15378. The selection and membership of the Palomar Airport Advisory Committee is not a project as defined by Section 15378(b)(5) of the state CEQA Guidelines because it is an administrative activity of governments that will not result in direct or indirect physical changes in the environment and is therefore exempt from CEQA review.

The following is to be completed only upon formal project approval by the appropriate County of San Diego decision-making body.
