Dear State Clearing House Unit Staff,

On March 7, 2024, Caltrans filed the Notice of Exemption (NOE) for Death Valley Flood Damage Repair through the State Clearing House website page. The project was assigned the SCH number 202403228. However, due to the project's proximity to another project with a similar Project ID, Caltrans inadvertently submitted the wrong NOE to the State Clearing House. Consequently, Caltrans seeks to retract the current Death Valley NOE and replace it with the attached NOE for Centennial Flood Damage Repairs.

Sincerely,

Heather Elder
