**Project Title:** Asphalt Repaving for National City Marine Terminal  
**Project Location – Specific:** 1309 Bay Marina Dr., National City, CA 91950  
**Project location – City:** National City  
**Project Location – County:** San Diego

**Description of Nature, Purpose, and Beneficiaries of Project:** The proposed project is for the asphalt repaving (removal of existing asphalt, and replacement of new asphalt) of four areas in and around National City Marine Terminal. The four locations have a combined total area of approximately 251,600 square feet.

Each project area will require asphalt removal with an anticipation of 10 daily truck trips (duration: one to two days), as well as 10 daily truck trips for the application of new asphalt (duration: one to two days). The construction for all five areas above is anticipated to commence in Spring 2024, and will be finalized within three to four months thereafter. Prior to construction, Port tenants will be notified by Port staff. Work will be phased, and San Diego County Standard Traffic Control Plans will be implemented for the following project locations: Area 1, Area 2, Area 2A, and Area 3. Traffic Control Plans will be issued to the contractor by the City of National City.

The Applicant would be responsible for complying with all applicable federal, state, and local laws regarding construction demolition debris, hazards and hazardous materials, and best management practices (BMP's). Therefore, environmental impacts will be minimized to the latest applicable State mandates and standards for this typical road/parking lot maintenance repaving project.

**Name of Public Agency Approving Project:** San Diego Unified Port District (SDUPD)  
**Name of Person or Agency Carrying Out Project:** Perla Goco, Port of San Diego, Engineering-Construction Department, (619) 821-7298

**Exempt Status:** (Check one):  
 Ministerial (Sec. 21080(b)(1); 15268);  
 Declared Emergency (Sec. 21080(b)(3); 15269(a));  
 Emergency Project (Sec. 21080(b)(4); 15269(b)(c));  
 **Categorical Exemptions: Existing Facilities (SG § 15301) (Class 1)**  
 Statutory Exemption. State code number:

**Reason Why Project is Exempt:** The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (Existing Facilities) and Section 3.a. of the District's Guidelines for Compliance with CEQA because the proposed project would result in the repaving of an existing street, not reducing or creating any additional automobile lanes of travel. Section 3.a of the District's CEQA Guidelines is as follows:

- 3.a. Existing Facilities (SG § 15301) (Class 1): Includes operation, repair, maintenance, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that previously existing, including but not limited to:

- (8) Existing highways, streets, sidewalks, bicycle and pedestrian trails, and similar facilities, except where the activity will involve removal of a scenic resource including a stand of trees, a rock outcropping, or an historic building.
