Supervising Legal Certification Clerk  
County of Riverside  
P.O. Box 751  
Riverside, CA 92501-0751

**SUBJECT: Filing of a Notice of Exemption for Planning Application No. PA23-0382, Modification to a previously approved Development Plan for a new approximately 4,182 square foot building, 287 square foot detached canopy with trellis and approximately 7,918 square foot canopy located at 41892 Motor Car Parkway.**

Dear Sir/Madam:

Enclosed is the Notice of Exemption for the above referenced project. In addition, pursuant to Assembly Bill 3158 (Chapter 1706) the Applicant will pay for the County Administrative fee to enable the City to file the Notice of Exemption required under Public Resources Code Section 21152 and 14 California Code Regulations 1507. The payment of the \$50.00 filing fee is under protest. It is the opinion of the City that the administrative fee has been increased in a manner inconsistent with the provisions of State Law. Under Public Resources Code Section 21152 and 14 California Code Regulations 1507, the County is entitled to receive a \$25.00 filing fee.

Also, please email a stamped copy of the Notice of Exemption **within five working days** after the 30-day posting to the email listed below.

If you have any questions regarding this matter, please contact Yannin Marquez at (951) 302-4125 or email [Yannin.Marquez@TemeculaCA.gov](mailto:Yannin.Marquez@TemeculaCA.gov).

Sincerely,

Matt Peters

Assistant Director of Community Development

**Project Title:** Toyota Of Temecula Modification (PA23-0382)

**Description of Project:** A Modification to a previously approved Development Plan for a new approximately 4,182 square foot building, 287 square foot detached canopy with trellis and approximately 7,918 square foot canopy located at 41892 Motor Car Parkway.

**Project Location:** 41892 Motor Car Parkway, Temecula, CA 92591

**Applicant/Proponent:** City of Temecula, County of Riverside

The Assistant Director of Community Development approved the above-described project on March 14, 2024, and found that the project is exempt from the provisions of the California Environmental Quality Act, as amended.

Exempt Status: (*check one*)

- Ministerial (Section 21080(b)(1); Section 15268);
- Declared Emergency (Section 21080(b)(3); Section 15269(a));
- Emergency Project (Section 21080(b)(4); Section 15269(b)(c));
- Statutory Exemptions (Section Number: )
- Categorical Exemption: (Section Number 15332, Class 32, In-Fill Development Projects)
- Other:

Statement of Reasons Supporting the Finding that the Project is Exempt:

(a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.

*The project is consistent with the applicable General Plan designation because automobile repair services are an allowable use within the Service Commercial district. The project also meets all applicable General Plan and Zoning policies and regulations.*

(b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses.

*The project is located within City limits and is located on a developed site containing an automobile repair service building that is less than five acres. The proposed project is substantially surrounded by commercial development.*

(c) The project site has no value as habitat for endangered, rare or threatened species.

*The proposed project is located on the portion of a fully developed project site that currently contains parking, asphalt, and landscaping which contains no value as habitat for endangered, rare or threatened. The project site is not located within a Multi Species Habitat Conservation Plan (MSHCP) criteria cell.*

(d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.

*The proposed project was required to prepare a Project-Specific Water Quality Management Plan (WQMP) that was reviewed and conceptually accepted for entitlement by City Staff as the WQMP meets the requirements of the City of Temecula. A traffic analysis was not required as part of this project and the proposed use is allowed within the Service Commercial zoning district. Therefore, the project is not anticipated to result in any significant effects relating to traffic, noise, air quality, or water quality as the project, as conditioned, is an allowed use per the City of Temecula General Plan.*

(e) The site can be adequately served by all required utilities and public services.

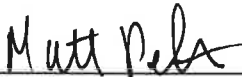

*The project site is surrounded by development and is able to be serviced by all required utilities and public services.*

---
