Public Works – Engineering Services Division

**COUNTY OF SOLANO
NOTICE OF INTENT TO ADOPT A
MITIGATED NEGATIVE DECLARATION
FOOTHILL DRIVE BIKE CONNECTION AND SAFETY IMPROVEMENTS**

The Solano County Department of Resource Management has evaluated the project described below and has determined that a Mitigated Negative Declaration of environmental impact be prepared pursuant to the California Environmental Quality Act.

The lead agency, County of Solano, Department of Resource Management, proposes a curve realignment for Foothill Drive, from 0.06 miles east of Pleasants Valley Road, to the City of Vacaville, city/county limit. The current alignment is a Z shaped road with 15 mph sharp turns. The Foothill Drive Bike Connection Project will construct a 32-foot-wide paved roadway on a new alignment for safety purposes.

Copies of the environmental document are available for public review at the Solano County Department of Resource Management, 675 Texas Street, Suite 5500, Fairfield, California, and at www.solanocounty.com under Departments, Resource Management, Public Works, Project CEQA Documents. Written comments on the proposed Negative Declaration will be accepted until 5:00 p.m. on **April 29, 2024**, and can be mailed to Matt Tuggle, Engineering Manager, Department of Resource Management, 675 Texas Street, Suite 5500, Fairfield, CA 94533 or emailed to mrtuggle@solanocounty.com.
