Present Land Use/Zoning/General Plan Designation:

Single Family Residential and Public Facilities

Project Description: (please use a separate page if necessary)

The Saddleback Valley Unified School District plans to add 18 new relocatable classrooms at the Oxford Preparatory Academy site—nine classrooms for 7th-grade students and nine for 8th-grade students. A restroom will be added adjacent to the 7th-grade classrooms to serve the 16 new classrooms. Two paved courtyards will be between each building section—the east courtyard used as the 7th-grade court and the west courtyard used as the 8th grade court. The 18 new relocatable classrooms will be added to the southern part of the project site and south of the current buildings on a 0.60-acre disturbed area. The current student enrollment in TK-6 is 448. The proposed project would increase overall capacity of the school to 1,200 students and would include grades TK-8.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
