Categorical Exemption. State type and class number (detail):

Section 15301 Existing Facilities

Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. Examples include but are not limited to: (a) interior or exterior alterations.

Reasons why project is exempt:

The scope of the Proposed Project includes the installation of new electronic LED light fixtures to existing shade structures. The improvements will not present a new or expanded use of these facilities. Therefore, the project meets the CEQA state guidelines under section 15301.
