Categorical Exemption. State type and class number (detail):

Section 15303 New Construction or Conversion of Small Structures

Class 3 consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure including but not limited to: (e) new shade structures.

Reasons why project is exempt:

The scope of the Proposed Project includes the installation of a new shade structure. The improvements will not present a new or expanded use of these facilities. Therefore, the project meets the CEQA state guidelines under section 15303.
