Notice of Intent To Adopt A Mitigated Negative Declaration

NOTICE is hereby given that the County of Sacramento, State of California intends to adopt a Mitigated Negative Declaration for the project described below.

Title: I & 32nd Street Storm Drainage Improvement Project

Control Number: PLER2023-00086

Location: The project is located along the right-of-way for I Street from Robla Creek south to 32nd Street and approximately 600 feet west along 32nd Street in the North Highlands community.

APN: Not applicable

General Description: The I Street-32nd Street Storm Drain Improvement Project would install a new drainage pipe system in I Street and 32nd Street with a new drainage pipeline outfall to Robla Creek via the existing bridge structure on 32nd Street. The I Street/32nd Street project watershed consists of approximately 20 acres of industrial and agricultural residential uses in the unincorporated Sacramento County (County) community of North Highlands. The project areas are located along I Street and 32nd Street, out falling into Robla Creek. The proposed project area improvements would add drainage capacity to the existing system, alleviate flooding in the area, re-route the public drainage system from private properties to public road right-of-way, and meet current standards.
