MEMORANDUM - SENT VIA ELECTRONIC MAIL

March 27, 2024

Office of Planning and Research (OPR)

RE: Emergency Permit for Treatment of Hazardous Waste, Bio-Rad Laboratories,
Hercules, California (SCH# 2024030937)

To whom it may concern,

The Department of Toxic Substances Control (DTSC) is requesting the Emergency Permit (SCH# 2024030937) filing with the OPR on CEQA.net to be withdrawn. The document was posted with incorrect information because the requested container amounts for stabilization were revised. DTSC subsequently posted the corrected/updated version of the document (SCH#2024030941). In summary I would like to request that SCH#2024030937 be withdrawn from CEQA.net.

If you have any questions, please contact me at (916) 255-8745 or via email at Melessia.Downham@dtsc.ca.gov.

Sincerely,

Melessia Downham
