## NOTICE OF EXEMPTION

State of California The Natural Resources Agency California Department of Forestry and Fire Protection (CAL FIRE)

PROJECT TITLE	NEU Station 61 Generator Replacement		
PROJECT LOCATION	CAL FIRE NEU Station 61-Loma Rica 11485 Loma Rica Rd., Loma Rica, CA 95901	COUNTY	Yuba
LEAD AGENCY	California Department of Forestry and Fire Protection (CAL FIRE)		
CONTACT	Steve Garcia, Forester II-Unit Forester		
Address	CAL FIRE's Nevada Yuba Placer Unit Headquarters	PHONE	(530) 277-2306
, IDD NEGO	13760 Lincoln Way, Auburn, CA 95603		

## **PROJECT DESCRIPTION**

The proposed project activities include the replacement of the backup electrical power generator and small-scale maintenance and improvements of facilities at the NEU Station 61-Loma Rica state property. A new propane-powered generator will be placed on the existing pad/enclosed area where the current generator is located. A new 1000-gallon propane tank with inground protective bollards will be installed to fuel the new generator. Minor trenching from new propane tank to generator will be required. Less than one acre of soil will be disrupted for all project work. Trenched areas will be backfilled to original grade and no change in drainage pattern will occur. Main apparatus bay building siding (Stucco) will be repaired and updated. The existing gym and well pump building will have the old siding removed (T1-11) and will be replaced with Stucco. All buildings as well as the storage container on the property will be painted. Two small concrete pads will be poured for the station's

dumpster placement and the new generator propane tank.						
EXE	APTION STATUS					
	Categorical Exemption Type/Section: Class 1, 2, 3, and 4	§15301 Existing Facilities §15302 Replacement or Reconstruction §15303 New Construction				
	Statutory Exemption (state code section): Ministerial (§21080(b)(1); 15268)					
	Declared Emergency (§21080(b)(3); 15269(a))					
	Emergency Project (§21080(b)(4); 15269(b)(c))					
	Emergency Project (§21080(b)(4); 15269(b)(c))					

## **REASONS PROJECT IS EXEMPT**

This project fits under portions of four classes of Categorical Exemptions to CEQA: Class 1 (Existing Facilities), Class 2 (Replacement or Reconstruction), Class 3 (New Construction) and Class 4 (Minor Alterations to Land). All project activities will occur within previously disturbed areas. Field review by CAL FIRE staff confirmed that no exceptions apply which would preclude the use of a Notice of Exemption for this project. The Department has concluded that no significant environmental impact would occur to aesthetics, agriculture and forestland/timberland, air quality, biological resources, cultural resources, energy, geology and soils, greenhouse gas emissions, hazards and hazardous materials, hydrology and water quality, land use planning, mineral resources, noise, population and housing, public services, recreation, transportation/traffic, utilities and service systems, or to wildfire risks. Documentation of the environmental review completed by the Department is kept on file at the Nevada-Yuba-Placer Headquarters in Auburn.
