RE: Request to Modify Published State Clearing House Number 2024031034

Dear Christine,

State Clearing House (SCH) Number 2024031034 (Transit and Intercity Rail Capital Program (TIRCP) Oakland Waterfront Mobility Hub - 2nd Street Transportation Hub and Bike Lane Connection Project) mistakenly references four (4) CEQA Notice of Exemptions (NOE's) for different projects that are not related to it. The four (4) other project NOE's should have requested their own separate SCH Numbers and requests to submit them as separate SCH Numbers have been subsequently made on 3/28/2024.

Outline of Request to Modify Published State Clearing House Number 2024031034

1. Keep the following NOE referenced under SCH Number 2024031034:
 - a. Transit and Intercity Rail Capital Program (TIRCP) Oakland Waterfront Mobility Hub - 2nd Street Transportation Hub and Bike Lane Connection Project
2. Remove the following NOE's referenced under SCH Number 2024031034:
 - a. Martin Luther King Jr. Way Streetscape Improvements
 - b. 7th Street Connection Project
 - c. Transit and Intercity Rail Capital Program (TIRCP) Oakland Waterfront Mobility Hub - 8th Street Improvements
 - d. Broadway Streetscape Improvements
3. Review and publish the separate requests for SCH Numbers for the four (4) projects listed above.

You may direct any questions regarding this request to Audrey Harris at aharris2@oaklandca.gov or 510-496-9020.

Sincerely,

Audrey Harris
Planning Manager, Major Projects Division
City of Oakland Department of Transportation
