**Project Description:** (please use a separate page if necessary)

The proposed project would result in the annexation of 37.23 acres into the City of Merced. The site would be pre-zoned as Planned Development (P-D), which allows for a variety of development types that carry out the objectives of the City's General Plan. Within the annexed area, 35.6 acres would be developed with up to 700 multi-family and/or student housing residential units with approximately 18,000 square feet (sf) of amenity buildings (recreational center), approximately 30,000 sf of commercial/retail, and an approximately 75,000-sf hotel with up to 200 guest rooms.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
