Notice of Exemption

Appendix E

To: Office of Planning and Research
P.O. Box 3044, Room 113
Sacramento, CA 95812-3044

From: (Public Agency): Santa Clara Unified School District
1889 Lawrence Road
Santa Clara, CA 95051

County Clerk
County of: Santa Clara
110 West Tasman Drive, First Floor
San Jose, CA 95134

(Address)

Project Title: Scott Lane Elementary School Parking Lot Reconfiguration

Project Applicant: Santa Clara Unified School District

Project Location - Specific:
1925 Scott Boulevard, Santa Clara, CA 95050

Project Location - City: Santa Clara Project Location - County: Santa Clara

Description of Nature, Purpose and Beneficiaries of Project:

The District is proposing to improve vehicular access by separating the driveway at Scott Boulevard, reducing the parking capacity at the site from 92 spaces to 71 spaces, and adding a two-lane driveway at Cabrillo Avenue. The project also includes drainage improvements, new accessible parking, electric vehicle chargers, drop-off areas, raised crosswalks, a trash enclosure, and a new entry plaza. Surface runoff from the reconfigured parking lot will flow to one of four new stormwater treatment control areas (bioretention facilities) totaling 2,741 square feet. In order to accommodate the proposed project, two existing portable classrooms adjacent to the existing parking lot will be relocated to the east of an existing portable restroom building along the northern property boundary. In addition, the project includes updating portable restrooms to current accessibility code requirements and providing new finishes as well as replacing a portion of existing paving and slurry coat and seal of playground surfaces, replacing a walkway, and adding new perimeter fencing.

Name of Public Agency Approving Project: Santa Clara Unified School District

Name of Person or Agency Carrying Out Project: Santa Clara Unified School District

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: 15301 Existing Facilities and 15302 Replacement or Reconstruction
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The proposed project would replace and reconfigure an existing parking lot at an existing school site. The project involves negligible or no expansion of use as the project would reduce the amount of parking currently provided at the site (parking reduced by 21 spaces). The additional driveway improves on-site circulation and there is no associated increase in classrooms or student capacity at the site. The other proposed project features, which include improving on site drainage facilities for the reconfigured parking lot, relocating two existing portable classrooms, replacing/resurfacing playground pavement, replacing walkways, and installing new fencing, constitute improvements that would be considered non-capacity increasing and would replace existing facilities.

Lead Agency Contact Person: Mark Schiel Area Code/Telephone/Extension: 408.423.2024

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? Yes No
