San Joaquin Joint Powers Authority (SJJPA) is submitting a corrected NOE for the SJJPA Valley Rail – Task 5 program. The original notices had an error in the beginning mileposts identifying the exemption coverage boundaries.

In the submitted NOE we described the boundaries as Riverbank (MP 1096.1) to Merced (MP1055.6). However, the SJJPA needs the CEQA NOE to align with the grant description which is Escalon (MP100.00) to Merced (MP1055.6).

There are no other changes to the project description or the project exemption status. The revised NOE has been provided to clearing house.
