

NOTICE OF EXEMPTION

To: County of Los Angeles
Registrar-Recorder/Clerk
Business Filing & Registration
12400 Imperial Highway, Room 1201
Norwalk, California 90650

From: Port of Long Beach
Environmental Planning Division
415 West Ocean Boulevard
Long Beach, California 90802

Project Title: Water Utility Connection – Harbor Development Permit No. 24-009
State Clearinghouse No:
Project Applicant: Long Beach Water Department
Project Location – Specific: Southwest Corner of Pier D Street and Pico Avenue to 260 Pico Avenue; Harbor Planning District 2 – Northeast Harbor
Project Location – City: Long Beach, California **Project Location – County:** Los Angeles County

Description of Nature, Purpose and Beneficiaries of Project:

Trenching approximately 710 linear feet to install new water line from existing Long Beach Water Department 12-inch main at the southwest corner of Pier D Street and Pico Ave to the FM Harbor electric heavy-duty trucks charging depot at 260 Pico Ave.

Name of Public Agency Approving Project: Port of Long Beach
Name of Person or Agency Carrying out Project: Long Beach Water Department

Exempt Status: (check one):

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]

Categorical Exemption.

State type and section number: Section 15301 Existing Facilities, Section 15303 (New Construction or Conversion of Small Structures), and Section 15304 (Minor Alterations to Land)

- Statutory Exemption.
State code number:

Reasons why project is exempt:

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project involves the installation of a new water line to an existing facility involving no expansion of existing or former use.

Section 15303 New Construction or Conversion of Small Structures (Class 3): The Class 3 Categorical Exemption consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. The project involves the installation of a new water line.

Section 15304 Minor Alterations to Land (Class 4): The Class 4 Categorical Exemption consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry or agricultural purposes and backfilling where the surface is restored. The Project involves trenching to install a new water line and backfilling where the surface will be restored.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15301 (Existing Facilities), Section 15303 (New Construction or Conversion of Small Structures), and Section 15304 (Minor Alterations to Land); therefore the Project is exempt from CEQA and no further environmental review is required.

Lead Agency

Contact Person: Jennifer Blanchard

Area Code/Telephone/Extension: (562) 283-7100

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? Yes No
