CLERK OF THE BOARD OF SUPERVISORS

COUNTY OF SAN BERNARDINO CALIFORNIA

Reasons why project is exempt: The State CEQA Guidelines provide a series of Statutory Exemptions for actions that have been deemed by the State Legislature to be exempt from (not subject to) the California Environmental Quality Act (CEQA). The proposed emergency repair of the IEUA sewer pipeline that crosses the channel just south of Chino Hills Parkway has been determined to qualify for a Statutory Exemption under Section 15269(b)(c) of the CEQA the statute and the State CEQA Guidelines. Section 15269 exempts "(b) Emergency repairs to publicly or privately owned service facilities necessary to maintain service essential for public health, safety or welfare and (c) Specific actions necessary to prevent or mitigate an emergency. The proposed repair of the sewer pipeline has been determined to not fall under the jurisdiction of CEQA and the State CEQA Guidelines because these activities fall within the scope of the emergency criteria listed in Section 15289(b)(c). Therefore, this action qualifies with the requirements for an Emergency Project Statutory Exemption in compliance with Section 15269(b)(c) of the State CEQA Guidelines.
