Project Title: Marina Pumping Plant No. 1 Site Improvements

Project Location: The project is located at 6120 E. Pacific Coast Highway in the City of Long Beach

Project Description: This project will provide the Marina Pumping Plant No. 1 improved safety, security, reliability, and redundancy for the local community it serves. The project consists of installation of a new vault with electromagnetic flowmeters; demolition of the existing 3-sided structure housing the electrical equipment; construction of a new enclosed electrical building for upgraded electrical equipment and restroom; security measures including cameras, motion detector lights, and wrought iron fencing around the perimeter of the property (replacing the existing chain link fence adjacent to Hwy 1); rehabilitation and safety improvements of the existing wet well, dry pit, and valve vault; and other miscellaneous site improvements.

Public Agency

Approving Project: Sanitation District No. 3 of Los Angeles County

Person or Agency

Carrying Out Project: Sanitation District No. 3 of Los Angeles County

Exempt Status: (check one)

- Ministerial
- Declared Emergency
- Emergency Project
- Categorical Exemption – Section 15301, 15302 and 15303 of the CEQA Guidelines
- Statutory Exemption – Section 21080(b)(4) of the Public Resources Code

Reasons Why

Project Is Exempt: The project includes repairs and modifications to an existing public facility with no expansion of use. The project includes replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced including existing utility systems involving negligible expansion of capacity. The project includes construction of limited numbers of new, small facilities. Further, the project is also necessary to prevent or mitigate an emergency.
