Name of Public Agency Approving Project: Humboldt County-DHHS, Division of Environmental Health

Name of Person or Agency Carrying Out Project: Humboldt County-DHHS, Division of Environmental Health

Exempt Status: Categorical Exemption: Section(s): 15303

Type: New Construction or Conversion of  
Small Structures

Reason why project is exempt:

This project consists of new construction of a small structure consisting of an individual domestic water well with a proposed depth of 200' - 400', minimum screened depth of 180', and casing diameter of 5". This new water well is intended to supplement domestic water supply currently provided by an existing spring.

Exceptions for exemption detailed in Section 15300.2 do not apply for the following reasons:

- a) Location: No particularly sensitive environmental resources are known to exist at the project location.
- b) Cumulative Impact: No cumulative impacts are anticipated as successive projects of the same type in the same place are anticipated.
- c) Significant Effect: there is no known reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances.
- d) Scenic Highways: No damage to scenic resources within a state scenic highway is anticipated.
- e) Hazardous Waste Sites: the project is not located on a site known to be a hazardous waste site.
- f) Historical Resources: the project will not cause a substantial adverse change in the significance of a historical resource.
