Name of Public Agency Approving Project: Humboldt County-DHHS, Division of Environmental Health

Name of Person or Agency Carrying Out Project: Humboldt County-DHHS, Division of Environmental Health

Exempt Status: Categorical Exemption; Section(s): 15303

Type: New Construction or Conversion of
Small Structures

Reason why project is exempt:

This project consists of new construction of a small structure consisting of an individual domestic water well with a proposed depth of 100' - 200', minimum screened depth of 50', and casing diameter of 5". Exceptions for exemption detailed in Section 15300.2 do not apply for the following reasons:

- a) Location: No particularly sensitive environmental resources are known to exist at the project location.
- b) Cumulative Impact: No cumulative impacts are anticipated as successive projects of the same type in the same place are anticipated.
- c) Significant Effect: there is no known reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances.
- d) Scenic Highways: No damage to scenic resources within a state scenic highway is anticipated.
- e) Hazardous Waste Sites: the project is not located on a site known to be a hazardous waste site.
- f) Historical Resources: the project will not cause a substantial adverse change in the significance of a historical resource.
