Subject: Filing of this Notice of Exemption is in compliance with Section 21152b of the Public Resources Code (California Environmental Quality Act).

Project Number and Title: Aerial-to-Underground Conversion of Overhead Utilities as part of the Valley and Magnolia Complete Streets Project (CIP No. 6019)

Project Location - Specific: Valley Street and Magnolia Avenue

Project Location - City: Carlsbad

Project Location - County: San Diego

Description of Project: The City of Carlsbad will work with San Diego Gas & Electric to perform the aerial-to-underground conversion of overhead utilities on Valley Street and Magnolia Avenue. The work will consist of: digging an approximately 5-foot deep by 2.5-foot wide trench along the public right-of-way; installing conduit, cable and substructures, along with aboveground facilities, such as electric transformer boxes and telecommunication equipment pedestals; removing existing overhead utility lines and poles; upgrading utility poles or installing new ones at the boundaries of the project as needed for the transition to the new underground system; relocating an SDGE gas main line and service lines beneath Magnolia Avenue, east of Valley Street; establishing individual customer connections; and restoring surfaces to pre-existing conditions once the work is completed.
