**Project Title:** Site Preparations for Replacing Modular Trailers

**Project Location - Specific:** 3102 East Highland Avenue

**Project Location - City:** Patton

**Project Location - County:** San Bernardino

**Description of Nature, Purpose, and Beneficiaries of Project:**

The project includes site preparations for the eventual installation of three replacement modular trailers to provide staff office space for the Department of State Hospitals at Patton near buildings/area 70A, 70B, and 70C. Site work includes minor earthwork and grading, concrete and masonry work, and installation of infrastructure such as sidewalks, sewage, drainage, water, electrical, communications at an existing site. The trailers are prefabricated and will be installed on the property when site preparation is complete.

**Name of Public Agency Approving Project:** California Department of State Hospital

**Name of Person or Agency Carrying Out Project:** Richard Camacho

**Exempt Status:** Class 4, Section 15304 Minor Alterations to Land

**Why is Project Exempt:**

Class 4 consists of minor public land alterations in the condition that site work will have negligible effects on the environment. The State confirms that no exception apply which would preclude the use of an exemption for this project. The project will not have a significant effect on resources in the area.
