The IS/MND did not find potential environmental impacts that could not be mitigated to a less-than-significant level. The IS/MND is available at Permit Sonoma at 2550 Ventura Avenue, Santa Rosa, CA 95403, and on the Environmental Notice page of the Permit Sonoma website <https://permitsonoma.org/divisions/planning/environmentalnotices>.

WHERE & WHEN:

After the close of the IS/MND public review period, it is anticipated that the Use Permit will be issued and the IS/MND adopted without a public hearing on June 4, 2024, unless a written objection to permit issuance is received by the Director prior to that date. A separate Notice of Waiver of Hearing will be posted on May 23, 2024, after close of the 30-day review period. If a written objection is received and cannot be resolved, a public hearing will be scheduled, and a notice of the hearing will be issued.
