You don't often get email from dahoff@chp.ca.gov. [Learn why this is important](#)

Good morning,

While the impact of this project on the local traffic will likely be minimal, we have certainly seen an increase in violent crime in and around more rural cannabis operations. Violent crime would include armed robberies of the processing facilities which obviously puts public safety at risk as well as expends local law enforcement resources.

Thank You,
Dave

Subject: Environmental Document Review – SCH # 2024040916 – Due to Lead Agency by 5/22/2024

Good afternoon,

Special Projects Section (SPS) recently received the referenced Notice of Environmental Impact document from the State Clearinghouse (SCH) outlined in the following Web site:

[UPC19-0012 Bloomfiled Flowers LLC. \(ca.gov\)](#)

Due to the project's geographical proximity, please use the attached checklist to assess its potential impact to local operations and public safety. **If impact is determined**, responses should be e-mailed directly to the Lead Agency with cc to SCH and myself. **If there is no impact**, please do not include SCH or the Lead Agency in your response.

For more information on the EIR review process, please check out: [Power Point Commanders EIR Training.pptx \(sharepoint.com\)](#).

Please feel free to e-mail me if you have any questions.

Thank you,
