Stockton, California 95202

Project Title: Plymouth Road and Mission Road Sidewalk Repair

Project Location: See attached vicinity map

Description of Nature, Purpose, and Beneficiaries: See attached project description

Public Agency Approving Project: San Joaquin County Public Works Department

Name of Agency Carrying Out Project: San Joaquin County Public Works Department

This is to advise that the San Joaquin County Public Works Department has approved the above described project on 4/17/24 and has made the determination that the project is exempt due to the following:

Exempt Status (check one):

- Ministerial (Sec. 21080 (b) (1); 15268)
- Declared Emergency (Sec. 21080 (b) (3); 15269(a))
- Emergency Project (Sec. 21080 (B) (4); 15269(b) (c))
- Categorical Exemption: Existing Facilities (Sec. 15301)
- Statutory Exemption (Sec. 15282(l))

Reason(s) why project is exempt: The project will not add automobile lanes to the street and is limited to reconstruction/rehabilitation of the sidewalk surfaces.

# PLYMOUTH ROAD AND MISSION ROAD SIDEWALK REPAIR

## Project Description

### **Project Location:**

**Plymouth Road and Mission Road. See attached Vicinity Map.**

### **Project Justification:**

The Sidewalk Repair Program was first established and implemented in 2003. This annual program addresses the need to repair sections of existing curbs, gutters and sidewalks that are either broken or displaced to such an extent that it creates a safe hazard. With the additional availability of funds, in addition to the Sidewalk Repair Program, this project will help to address additional concerns. This program will be processed through Job Order Contracts (JOC).

Existing curbs and gutter with no sidewalks and curb ramps forces pedestrians to walk along uneven terrain, with difficult limited-mobility pedestrian access at intersections. Residents of this low income/disadvantaged community have made requests to the County for a safe walking infrastructure to provide access to surrounding community services.

### **Scope of Work:**

The project will consist of:

1. Removing and replacing identified segments of existing curb, gutter and sidewalk. The existing curbs, gutters and sidewalks will be saw-cut and removed. The new curbs, gutters and sidewalks will be installed to match. The work involves the removal and replacement of 12,214 square feet of curbs, gutters and sidewalks at approximately 46 separate locations throughout county areas in Road Districts 1.

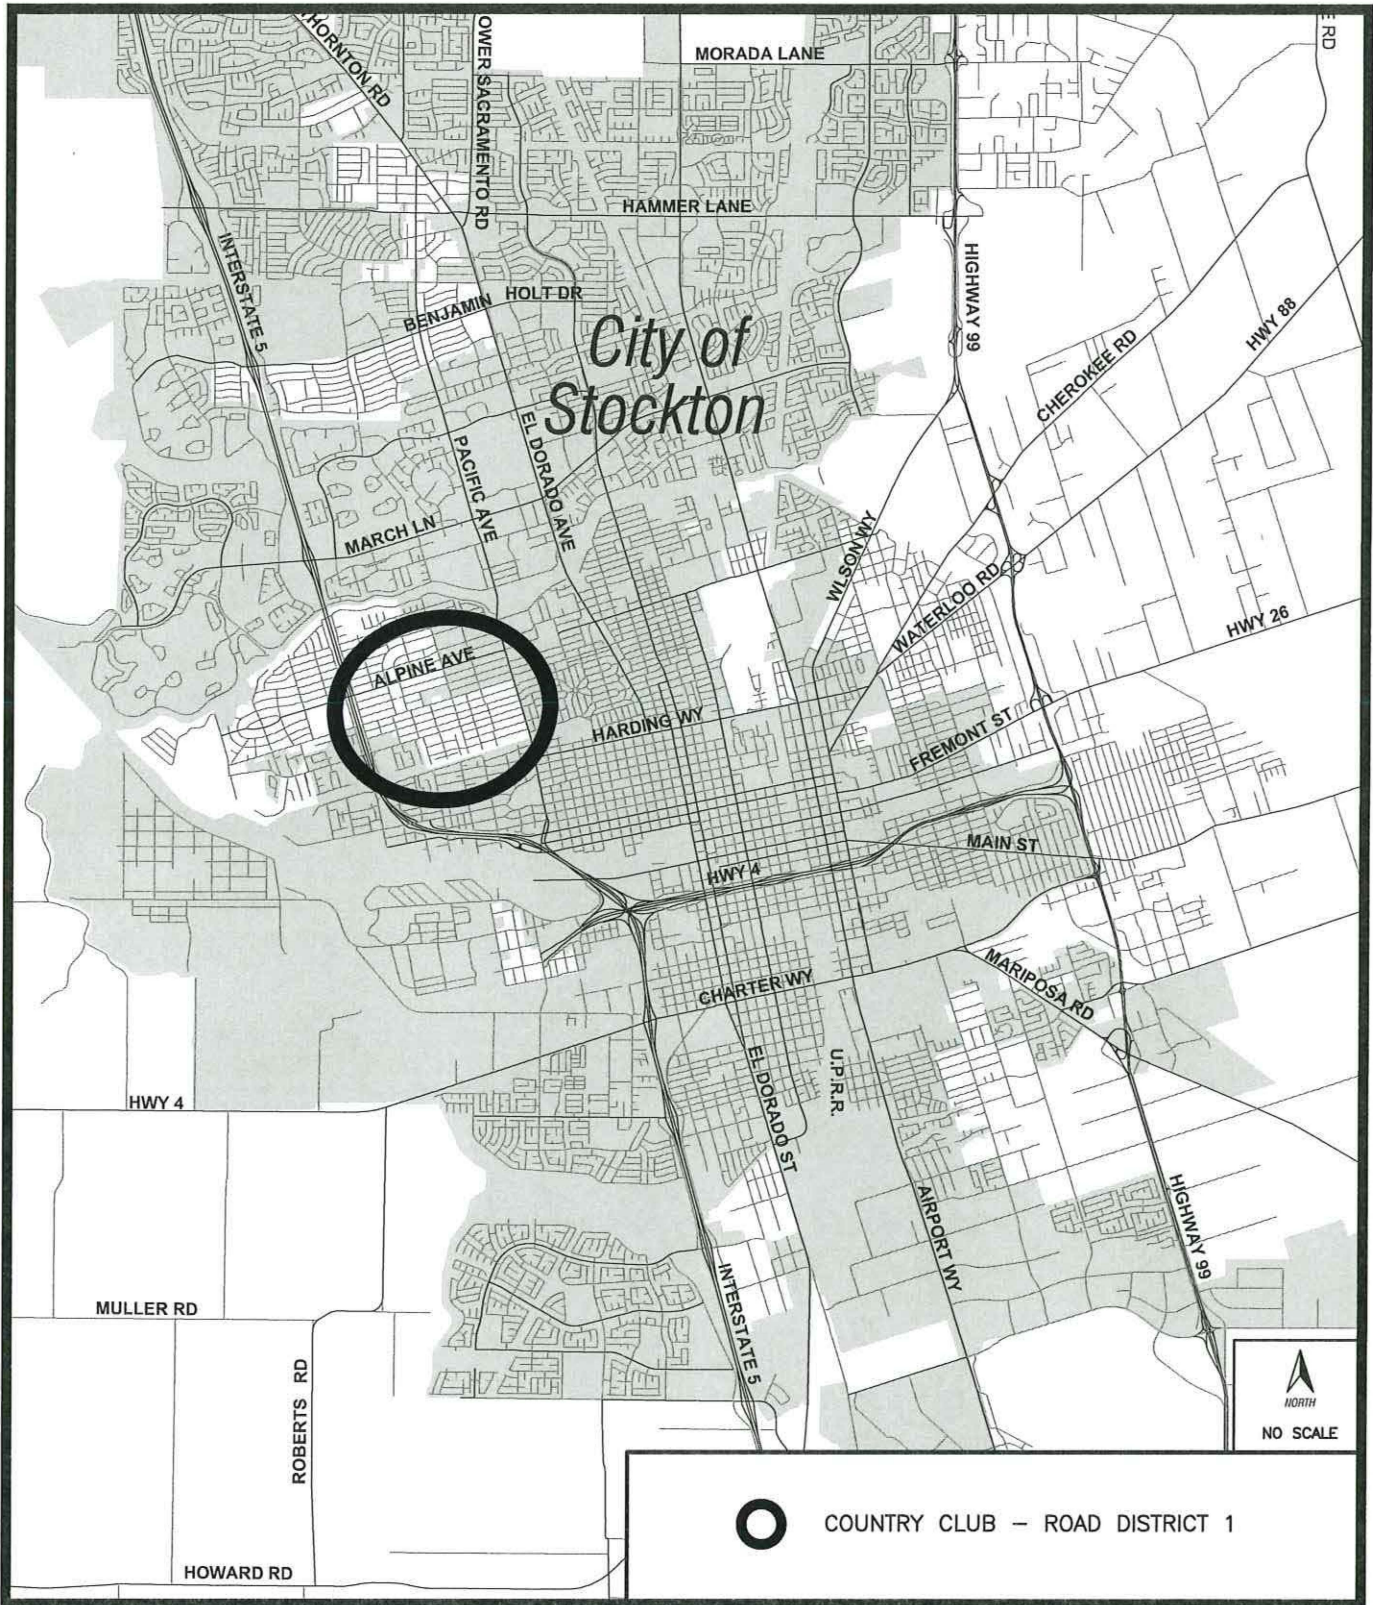

### **Environmental Setting:**

In these portions of the San Joaquin County, land usage is primarily **residential with single family homes.**

**There are many large trees adjacent to the project area.** Nesting and migratory birds, protected by the Migratory Bird Treaty Act, may nest within these trees. Furthermore, the Swainson's Hawk, a raptor species of concern within the State of California and listed as threatened may nest adjacent to or within the project area. A pre-construction survey for nesting Swainson's Hawks and other migratory birds is recommended if construction is scheduled to occur from February 15<sup>th</sup> to September 1<sup>st</sup>.

### **Beneficiaries:**

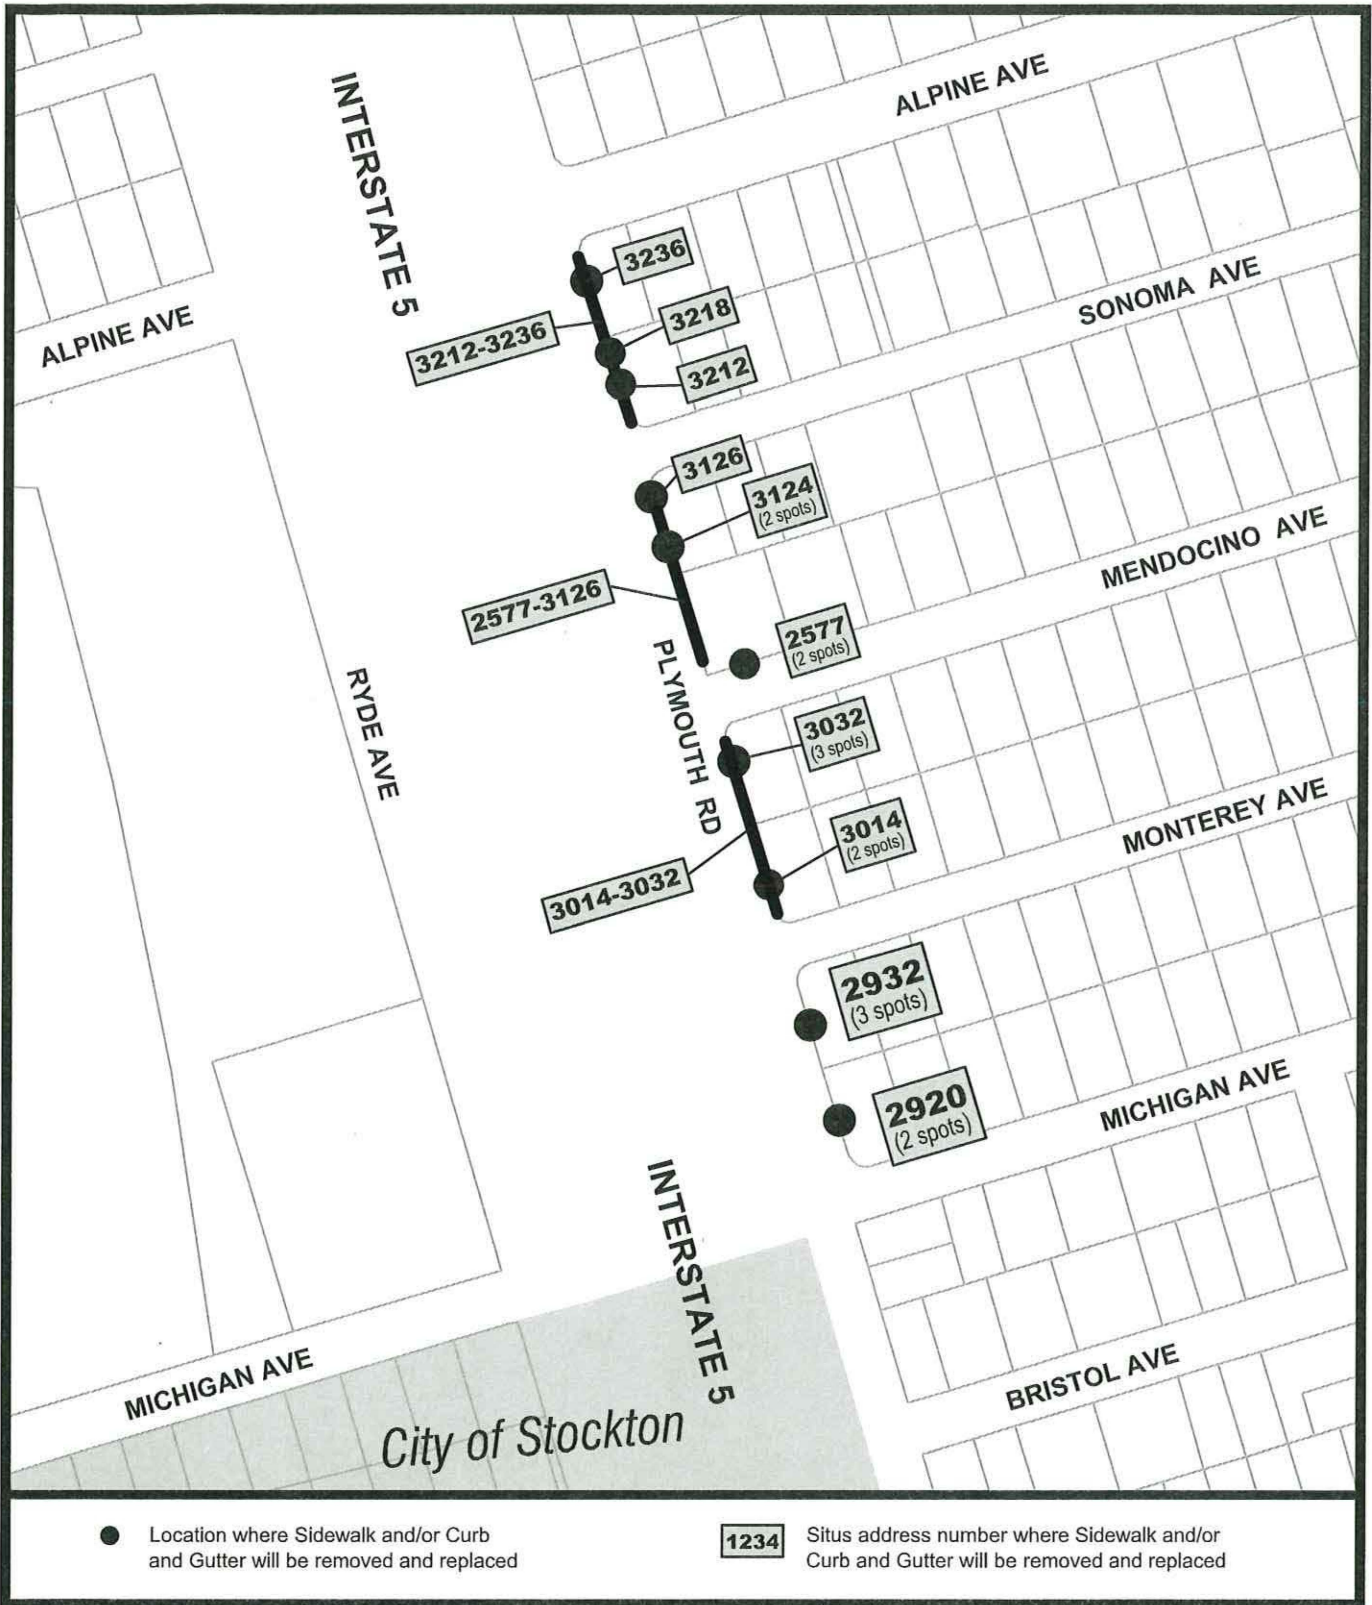

The public will see increased safety for walking within the project limits, as there will be new sidewalks in place.
