Notice of Intent To Adopt A Mitigated Negative Declaration

NOTICE is hereby given that the County of Sacramento, State of California intends to adopt a Mitigated Negative Declaration for the project described below.

Title: RCCC Pump Station Rehabilitation Project

Control Number: PLER2023-00119

Location: The project site is located adjacent to Bruceville Road approximately 1,400 feet north of Camp Road, 1.3 miles north of Twin Cities Road and 0.8 mile south of Lambert Road in Sacramento County. Project is located within the RCCC campus.

APN: 146-0050-084-0000, 146-0050-085-0000 (part)

General Description: The Rio Cosumnes Correctional Center (RCCC) Pump Station Rehabilitation Project proposes upgrades the existing pump station within limits of existing pump station. The modifications include: replacement of two submersible pumps, two inclined auger screens, two grinders, one standby generator meeting Tier 4 emissions requirements, pump removal crane and frame, wet well cover and access hatch, spot repairs to existing wet well poly vinyl chloride (pvc) lining, and replacing and relocating the service transformer. Structural modifications will be necessary at both the existing screening structures and wet well to facilitate the new equipment. The Project would also construct an electrical building with a restroom, electrical equipment and instrumentation control systems, valve vaults, flow diversion structure, piping, valves, manholes, mechanical equipment, site improvements, and incoming and outgoing sewer piping and connections. To accomplish these modifications portions of the existing pump station will be removed/replaced.

The project also includes the installation of force main pipe connections on Bruceville Road, constructing underground storage pipes extending from the pump station to 600 feet south of station. An easement acquisition is needed for the storage pipe.
