Project Title: Gator By The Bay

Project Applicant: Catherine Miler, Producer, Gator By The Bay, 2326 India Street, San Diego, CA 92101,
(619) 889-4322

Project Location – Specific: 3900 N Harbor Drive, San Diego, CA 92101

Project location – City: San Diego

Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed project is for Gator By The Bay, a food and music festival, which would take place at Spanish Landing Park East in the city of San Diego, California. The event would have an approximate duration of four days, in or around May, with the set up and dismantle days directly preceding and subsequently following the event dates. The event would involve live entertainment such as live music, concession vendors, and educational seminars. The expected attendance varies by day with a high of approximately 4,200 on Saturday and Sunday. Parking would be available at an off-site designated parking garage with a shuttle to and from the event location, and at the Sheraton Hotel dirt lot if available. Ridesharing is encouraged and the applicant would be responsible for installing signage to prohibit rideshare drop-off and pick-up on North Harbor Drive. All ridesharing vehicles would enter Spanish Landing Park East at the entrance to the park on N Harbor Drive, drop off passengers, and loops back out to avoid drop-off and pick-up on N Harbor Drive.

Due to the sale of alcohol, temporary fencing would be installed around the footprint of the event. Spanish Landing Trail, often used for bike traffic, is included in the event footprint, so bikes would be rerouted onto the existing N Harbor Road bikeway during the event. Clear and appropriate signage regarding bike rerouting would be installed at the responsibility of the applicant at various locations. At a minimum, bike rerouting signage would be installed at the following locations:

1. The intersection of Harbor Island Drive and N Harbor Drive
2. The intersection at the entrance to Spanish Landing Park East and N Harbor Drive, directly across from the entrance to Airport Terminal Road
3. The promenade near Cancer Survivor Park

The waterfront promenade would remain unobstructed and open for foot traffic and pedestrian access. Spanish Landing Park West would also remain open during the event.

The District would provide sponsorship in the form of District funding and services for the event.
