Re: Smith Tentative Parcel Map & Boundary Line Adjustment Project

To Whom it May Concern,

The 1-page NOA that was submitted on April 30, 2024, and published on May 1, 2024, has the incorrect final date to send comments within the final paragraph. The project comment period will end on June 3, 2024, and not May 3, 2024. The attached revised 1-page NOA corrects this error, and is the sole reason for the requested update. Thank you very much.
