Re: Smith Tentative Parcel Map & Boundary Line Adjustment Project

To Whom it May Concern,

The 1-page NOA that was submitted on April 30, 2024, and published on May 1, 2024, has the incorrect project type within the first paragraph. The project is not related to a Use Permit or any Management Plans, and is instead for a Tentative Parcel Map and Boundary Line Adjustment. The attached revised 1-page NOA corrects this error, and is the sole reason for the requested update. Thank you very much
