To: All Reviewing Agencies
From: Samuel Assefa, Director
Re: SCH # **2024050218**
Knights Landing Flood Management Project

The Lead Agency has corrected some information regarding the above-mentioned project. Please see the attached file(s) for more specific information: **_Updated Final Mitigated Negative Declaration.**

All other project information remains the same.

RE: Resubmission of Final Initial Study/Mitigated Negative Declaration Document for the Knights Landing Flood Management Project (SCH #2024050218)

To Whom It May Concern:

On Thursday, October 24, 2024, Yolo County submitted the signed Notice of Determination ("NOD") and Final Initial Study/Mitigated Negative Declaration ("IS/MND") for the Knights Landing Flood Management Project (SCH #2024050218) to the State Clearinghouse ("SCH") via CEQA Submit. The submission of these two documents was subsequently accepted by the SCH on Friday, October 25, 2024.

Upon our review of the Final IS/MND file after submission and acceptance by the SCH, we discovered that the signature on the MND page (page ii) and the signature on the Determination page in Appendix B (page 29) were missing.

These pages have since been signed and have been replaced in the .pdf file of the Final IS/MND. No other text changes or changes to the findings or the County's determination for the MND have been made. Furthermore, there have been no changes to the NOD or to the County's approval of the Project.

If you have any questions regarding this letter, please contact me at casey.liebler@yolocounty.gov or (530) 666-8236.

Sincerely,

Casey Liebler
Natural Resources Planner
