Project Location:	In and around the community of Knights Landing in unincorporated Yolo County
Project Description:	The Knights Landing Flood Management Project proposes to reduce flood risks associated with flooding from the Sacramento River and the Knights Landing Ridge Cut in and around the community of Knights Landing. The proposed flood improvements cover approximately 3.78

	miles and intend to attain a 100-year level of flood protection for the community of Knights Landing, and to reduce flood risk to the Knights Landing Basin. The proposed improvements along the Sacramento River Right Bank Levee include addressing under-seepage and through-seepage by construction cutoff walls, drained stability berms, or combination stability-seepage berms. The proposed improvements along the landside levee of the Knights Landing Ridge Cut will improve stability.
