Present Land Use/Zoning/General Plan Designation:

Market & Deli and Other Uses/" C2-DR" , Community Commercial, Design Review/ Community Commercial

Project Description: (please use a separate page if necessary)

The proposed project includes construction and operation of a short-stay motel with six 800 sq. ft cabins, two units each, plus 11 parking spaces with one Americans with Disabilities Act (ADA) space (12 total), and a new trash enclosure. Cabins will be accessed from walking paths and the site would be enclosed on three sides with a 6-foot wooden fence. Access to the site would come from Loch Lomond Road. Ground-moving activities would include the following activities: preparing cabin pads, developing driveway and parking, pathways, and landscaping, digging post holes, and removing four ponderosa pine trees. There is an existing Olympic-sized swimming pool which has been leased out for many years which is not part of the proposed project. The proposed 6-foot fence will provide a safety barrier between the cabins and the pool. Other existing structures that are called out on the site plans as 'not part of project' include the Loch Lomond Market & Deli/ other businesses, and a significant historical cabin. The site is located in Loch Lomond, California.

A previous Initial Study/Mitigated Negative Declaration for the proposed project was circulated for a 30-day public review period beginning on May 21, 2024, and ending June 20, 2024. As the CEQA Lead Agency, Lake County is recirculating the Initial Study/Mitigated Negative Declaration (IS/MND) for the proposed project to address violations that occurred during the public review period. These changes are identified in the recirculated IS/MND.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
