Reasons why project is exempt:

The construction and installation of a canopy PV solar system on a portion of an existing parking lot is to provide electricity. The canopies, solar arrays, inverters, AC combiner, utility line and trenching and security fencing, are minor structures appurtenant to the existing institutional uses. The project will not increase the capacity of the sites by 25%. There are no sensitive resources in the project area. Therefore, they are classified as exempt from the provisions of CEQA under section 1503 - Class 3, New Construction of Small Structures; Section 15304 - Class 4, minor alterations to land; Section 15311 - Class 11, accessory structures; section 15314. None of the exceptions to these Categorical exemptions apply.
