Subject: Transmittal of Notice of Determination for San Joaquin River Garwood Bridge Rehabilitation Project

This memo is submitted as accompaniment for the Notice of Determination for the 10-1H200 San Joaquin River Garwood Bridge Rehabilitation Project (State Clearinghouse Number 2024050888). Please note that the Caltrans payment for the California Department of Fish and Wildlife (CDFW) filing fee was filed in person at the State Clearinghouse office on Wednesday, August 14, 2024. As the Final Environmental Document for the project was a Negative Declaration, the amount of \$2,916.75 should be sufficient for the CDFW filing fee.

With this payment, Caltrans requests that the State Clearinghouse publishes the Notice of Determination that was submitted online for the project on the CEQA Submit website.
