**Project Description:** (please use a separate page if necessary)

Plot Plan (PP) No. PLN21-0375 proposes two new 2-story apartment buildings totaling 22,588 square feet at an existing apartment complex ("Villagio Villas") located at the terminus of Encanto Drive. Each building proposes 12 units (24 total) bringing the total number of units within the Villagio Villas apartment complex to 120 units (96 existing). The project site is approximately 0.82 and total site area is approximately 6.99-acres when including the existing apartment site. The project includes approximately 21,000 square feet of newly landscaped area.

General Plan Amendment (GPA) PLN21-0376 and Change of Zone (CZ) PLN21-0377 is required as the proposed project location was previously owned by Caltrans and had no Zoning or General Plan Land Use designations. The proposed General Plan Land Use density is 20.1-24 du/ac with a Zoning designation of High Density Residential both of which are consistent with nearby land uses.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
