**SUBJECT: FILING OF NOTICE OF EXEMPTION IN COMPLIANCE WITH PUBLIC RESOURCES CODE SECTION 21108 OR 21152**

Project Name: Potrero County Park Well Water System Improvements

Project Location: 24800 Potrero Park Drive, Potrero, CA 91963

Project Applicant: County of San Diego Department of Parks and Recreation, 5500 Overland Avenue, Suite 410, San Diego, CA 92123 (858) 565-3600

Project Description: The proposed project consists of maintenance and repairs to the existing water system at Potrero County Park, including the installation of a concrete pad, replacement of underground valves, installation of new water sampling sites, maintenance of the existing water storage tank, replacement of existing storage water level indicator, installation of automatic shut-off sensor system, installation of a circulating pump, and disinfection of the entire distribution system.

Agency Approving Project: County of San Diego

Date Form Completed: May 21, 2024

County Contact Person: Prince Dumaran

Telephone: (619) 920-7146

This is to advise that the County of San Diego Director of Department of General Services has approved the above described project on **May 15, 2024** and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- Declared Emergency [C 21080(b)(3); G 15269(a)]
- Emergency Project [C 21080(b)(4); G 15269(b)(c)]
- Statutory Exemption. C Section:
- Categorical Exemption. G Section(s): 15301, 15302, 15304
- G 15182 – Residential Projects Pursuant to a Specific Plan
- Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
- G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt: Section 15301 (Existing Facilities) is applicable because the proposed project consists of maintenance and repairs to an existing water system at Potrero County Park, involving negligible or no expansion of existing of former use. Section 15302 (Replacement or Reconstruction) is applicable because the proposed project involves replacing elements of the existing water system that would substantially serve the same purpose and capacity of the structure being replaced. Section 15304 (Minor Alterations to Land) is applicable to the proposed project because minor ground disturbance would be required for the replacement of the underground valves and the installation of the concrete pad which would not involve the removal of healthy, mature, scenic trees.

Additionally, the project would not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; would not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.

The following is to be filled in only upon formal project approval by the appropriate County of San Diego decision-making body.
