Subject: Corrections to existing posted NOE (SCH number 2024050972)

Below are the two corrections that need to be made to the NOE posting (SCH number 2024050972). These changes are already reflected in the attached updated NOE that DWR would like to be posted in the former NOE PDF's place.

1. Center-line locations – all slightly updated from previous submission:

Name	latitude	longitude
Old River Gate	37.810701	-121.544408
Middle River Gate	37.885522	-121.482552
Grant Line Canal Alt 1	37.819439	-121.544486
Grant Line Canal Alt 2	37.819503	-121.514177
Grant Line Canal Alt 3	37.819521	-121.503446

2. It has been determined that one additional water boring should be completed. DWR will now be conducting 68 geotechnical soil borings instead of 67.
