## NOTICE OF EXEMPTION

### **Project Description:**

Sidewalk Repair Program Project – City staff conducted a survey last year to inspect the condition of sidewalks throughout the city. A total of 27 locations were identified as in need of repair and replacement.

In some cases, repair of the sidewalk also requires repair or modification of the driveway aprons to conform with the City of Lomita Municipal Code Sec. 11-1.66.07 (C).

### **Finding:**

The City Council of the City of Lomita has reviewed the above proposed project and finds it to be exempt from the provisions of the California Environmental Quality Act (CEQA).

- Ministerial Project
- Replacement or Reconstruction of existing structures and facilities, Exemption (CEQA Guidelines, Section 15302 Class 2)
- Statutory Exemption
- Emergency Project
- Quick Disapproval [CEQA Guidelines, Section 15270]
- No Possibility of Significant Effect [CEQA Guidelines, Section 15061(b)(3)]

**Supporting Reasons** In accordance with Section 15302 Replacement or Reconstruction, Class 2 consist of replacement of existing structure or facilities where the new facilities will be located on the same site as the old structure replaced and will have substantially the same purpose and capacity as the structure replaced. Per this California Environmental Quality Act (CEQA) Guidelines, the installation and use of the new underground pipe will be to supply water to the same customers, replacing old 1928 pipes and providing the same water capacity.
