RE: 2024060032 Revision request

Dear OPR Representative,

Please understand that we need to change the following Document Description found on webpage <https://ceqanet.opr.ca.gov/2024060032>, according to the requested strikethrough:

Conditional Use Permit to construct and operate a ~~gas station to include~~ a 120-foot-tall monopine along with six (6) antennas and supporting radios along with a total of three equipment cabinets and a standby diesel generator within a proposed 900-square-foot lease area.

Let me know if you have any further questions, or if any additional information is needed from me.

Thank you,  
Ande Flower, AICP  
Planning Manager
