**Project Description:** (please use a separate page if necessary)

The project would add Class II bike lanes to Arnold Drive between Madrone Road and Country Club Drive in unincorporated Sonoma County. The project would include areas of road widening, reconstructed roadside drainages, stormwater culvert extensions, paving of new roadway sections, and new striping.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
