**SUBJECT: Filing of Notice of Determination in compliance with Section 21152 of the Public Resources**

**State Clearinghouse Number: # 2024060244**

**Project Title:** El Dorado Irrigation District Temporary Reservoir Re-operation Water Transfer

**Project Applicant:** El Dorado Irrigation District

**Project Location:** El Dorado, Amador, Alpine, Sacramento, San Joaquin, Alameda, Santa Clara, San Benito, Stanislaus, Merced, Fresno, Kings, Tulare, Kern, San Luis Obispo, Santa Barbara, Ventura, Los Angeles, San Bernardino, Orange, Riverside, San Diego, and Imperial counties

**Project Description:** The El Dorado Irrigation District (EID) proposes to transfer up to 4,300 acre-feet (AF) of water to federal and/or state water contractors south of the Sacramento-San Joaquin Delta in 2024. EID would make the water available through re-operations of Weber Reservoir, Caples Lake, and Silver Lake to release water otherwise planned to be consumed by EID customers and/or stored within the EID network of reservoirs. The involved reservoirs and rivers/creeks would all operate consistent with their historic flow and release schedules, and would meet all applicable rules and requirements, including but not limited to lake level, minimum streamflow, and ramping rate requirements. The proposed 4,300-AF transfer quantity would consist of releases from Weber Reservoir (up to 750 AF) that would otherwise remain in Weber Reservoir and releases from Caples and Silver lakes (up to a combined total of 3,550 AF) that would otherwise be released for immediate consumptive use and/or conveyance into Jenkinson Lake. EID would rely on water stored in Jenkinson Lake to meet consumptive demands during the transfer period in lieu of using water from Caples and Silver lakes.

This is to advise that the El Dorado Irrigation District (Lead Agency) has considered the above-described project on July 22, 2024 and has made the following determinations regarding the above described project.

1. The project [ will  will not] have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [ were  were not] made a condition of the approval of the project.
4. A Statement of Overriding Considerations [ was  was not] adopted for this project.
5. Findings [ were  were not] made pursuant to the provisions of CEQA.

This is to certify that the Negative Declaration and record of project approval are available to the General Public at: **The El Dorado Irrigation District**, 2890 Mosquito Road, Placerville, CA 95667.
