SUBJECT: Notice of Determination Re-Submission

Dear Office of Planning and Research:

I am requesting the revision to the Notice of Determination (NOD) CEQAnet publication for the Alta Capital Maintenance project state clearinghouse (SCH) number: 2024060426 posted September 4, 2024. There was an error in the NOD form and in the Determination section of the CEQAnet post under Findings.

The findings for this project **were not** made pursuant to the provisions of CEQA. The updated NOD form reflects this revision and is an attachment to this memo. In addition, the Notice of Determination section of the CEQAnet post for this project needs to be revised to "The findings for this project **were not** made pursuant to the provisions of CEQA".

If you have questions or need additional information, please contact me at Jordan.Schmidt@dot.ca.gov or (530) 682-6814.

Sincerely,

Jordan Schmidt
Environmental Planner,
Caltrans District 3
