

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

The Board of Directors of the Lindsay-Strathmore Irrigation District hereby gives notice, pursuant to California Public Resources Code section 21092, that it intends to adopt a Mitigated Negative Declaration with respect to a proposed project.

| | |
|---------------------------------|---|
| Project Title | Highline Pipeline Replacement Project |
| Project Description | The Project consists of the installation of approximately 7,300 linear feet of 8-inch, 12-inch and 14-inch diameter water pipelines and water pipeline appurtenances to replace a portion of the existing agricultural water distribution system in an unincorporated area east of Lindsay. |
| Project Location | Sections 3 and 10, T20S, R27E, Mount Diablo Base and Meridian as shown on attached map. |
| Determination of Impacts | The Project is not anticipated to have any long-term negative environmental impacts. Short-term construction related potential impacts will be mitigated to a less than significant level by use of construction specifications requiring proper and defined mitigation measures. |

The Initial Study of the environmental impact for the Proposed Project indicates that the Proposed Project will have no significant effect on the environment.

The public review of this matter shall be deemed to have begun June 12, 2024. The last day for the public review period shall be deemed to be July 11, 2024. During the public review period, copies of the proposed Mitigated Negative Declaration may be obtained at the office of the Lindsay-Strathmore Irrigation District. The District will receive written comments on the proposed Mitigated Negative Declaration during the public review period. Comments should be sent to the address indicated on this notice and to the attention of Craig Wallace, General Manager.

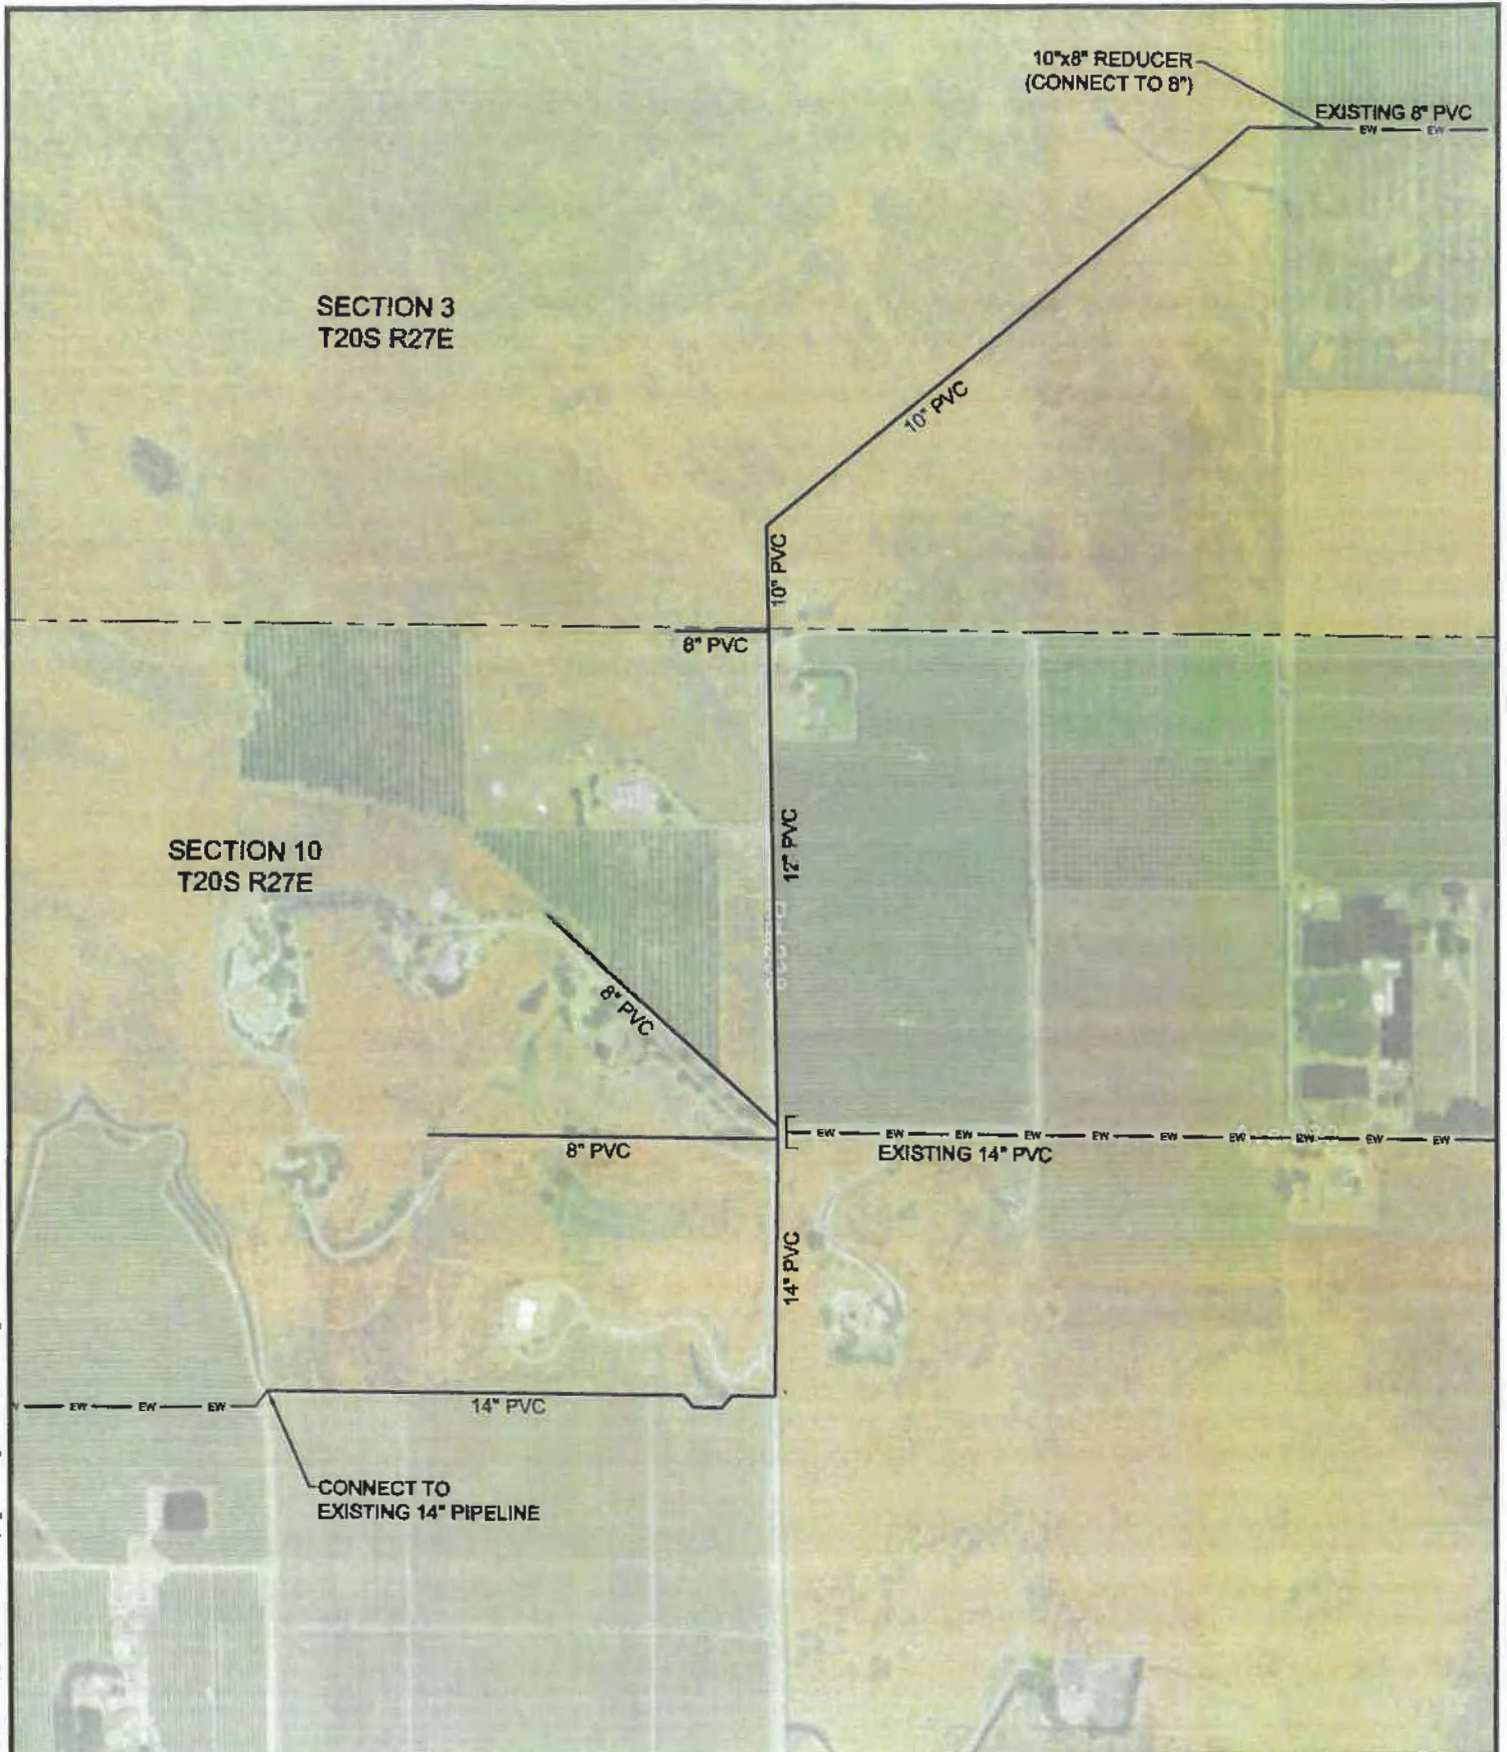

A public hearing on the adoption of the proposed Mitigated Negative Declaration will occur during the Board of Directors meeting of the Lindsay-Strathmore Irrigation District, scheduled to commence at 2:00 p.m. on Tuesday, July 9, 2024, at its office located at the noted address.
