Subject: Filing of a Notice of Exemption Pursuant to CEQA Guidelines Section 15062

Project Title: City Hall Entryway Improvement Project,
Fremont File No. PWC9030B

Project Applicant: City of Fremont

Project Location (include county): 3300 Capitol Avenue Buildings A & B in the City of Fremont,
Alameda County.

Project Description: The project generally includes the following items of work: Demolish and dispose of or recycle existing improvements including asphalt pavement, curb, gutter, sidewalk, and curb access ramp; remove existing flagpole and install new flagpoles; install ADA parking spaces and path of travel from Capitol Avenue; place hot mix asphalt concrete pavement; install concrete curbs, curb ramps, walkway and walls; install striping and pavement markings; install landscaping and modify existing irrigation system, all within the existing paved public right-of-way. Minor areas of existing landscaping may be removed to facilitate the placement of formwork to reconstruct the existing sidewalk and median, but no habitat, or other biotic features or animals would be impacted by the project. Per Fremont Municipal Code (FMC) Section 18.218.010, all development projects that have the potential to adversely disturb or impact: a) special-status species; b) cultural resources; and c) air quality due to construction activities such as grading, demolition, and tree and shrub removal, shall implement the adopted standard development requirements. There are no unusual circumstances relating to the project, nor any potential significant impacts that would preclude the use of a categorical exemption.
