559-447-3300

Project Applicant:

Project Title: (Project)

Project Address:

Project County:

Project Description:

The Applicant proposes to construct and operate a new well as part of its existing public water system. The new well will replace the existing well as the primary well. The existing well will continue to serve other properties along Tollhouse Road. The new well will be drilled in an undeveloped portion of the parcel.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a for the described project on . A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Exemption Status:

Reason why project is exempt:

The Project is exempt because it is the construction and operation of a new well at an existing water system and there is no change of use and because it is the construction of a new small structure. None of the exceptions listed in section 15300.2 of the CEQA Guidelines would apply to the proposed.
