To: Office of Planning and Research
P.O. Box 3044, Room 212
Sacramento, CA 95812-3044

From: Lead Agency
Sierra Nevada Conservancy
11521 Blocker Drive, Suite 205
Auburn, CA 95603

Project Title: (RFFCP2022) WIP Capacity Subgrant - Amador Fire Safe Council (SNC 1705-RFFCP)

Project Location – Specific: General communication, outreach, and planning activities across parts of Amador County.

Project Location - City: None – feasibility planning. The community of Jackson is within the project area.

Project Location - County: Amador

Description of Nature, Purpose, and Beneficiaries of Project:

The Sierra Nevada Conservancy would provide funding for the Amador Fire Safe Council to collaborate with local communities, regional partners, and stakeholders to develop a priority plan to improve forest health and fire resiliency. The proposed activities will increase capacity to prioritize, develop, and to identify future projects, not yet identified. Tasks conducted under these activities would include employee development, participating in training sessions, attending regional conferences, working to develop monitoring and evaluation plans, developing an area-wide project tracking mapping system, communicating and engaging with stakeholders, facilitating meetings, and the gathering of pertinent data and information for plan development. The purpose is to engage with communities and other stakeholders to identify and prioritize potential future forest health and fire resiliency projects, along with a creating a project monitoring plan that will improve forest health and fire resiliency, facilitate greenhouse gas emissions reductions, and increase carbon sequestration.

Name of Public Agency Approving Project: Sierra Nevada Conservancy

Project Applicant / Name of Person or Agency Carrying Out Project:

Amador Fire Safe Council
John Heissenbuttel
12200 Airport Road, Jackson, CA 95642
(209)214-9727

Exempt Status:

Statutory Exemption: Common Sense Exemption – CEQA Guidelines, Section 15061, subd. (b)(3) and Feasibility and Planning Studies under Pub. Resources Code, Section 21102 and CEQA Guidelines, Section 15262.

Reasons why project is exempt:

These activities are exempt under the commonsense exemption under Section 15061,

subd. (b)(3) of the CEQA Guidelines which states that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This grant funding will support capacity building activities including employee development, training, coordination of meetings and community engagement as well as the gathering and sharing of data for early-stage planning and prioritization of currently unidentified, potential future projects related to forest health and fire resiliency. They are early-stage planning activities; no specific projects have yet been identified, nor have they been approved, adopted, or funded. There will be no ground or resource disturbance. Therefore, it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. Additionally, the project would be statutorily exempt under CEQA Guidelines, section 15262 exempting feasibility and planning studies as the activity involves planning studies for possible future actions which the Sierra Nevada Conservancy Board has not approved, adopted, or funded. Further, there is no legally binding effect on later activities.
