# PUBLIC NOTICE

## Cooperstown Road over Rydberg Creek Bridge (No. 38C0257) Replacement Project

### Notice of Availability of Initial Study and

### Notice of Intent to Adopt a Mitigated Negative Declaration

#### WHAT IS BEING PLANNED?

Stanislaus County, in coordination with the California Department of Transportation, proposes to replace the Rydberg Creek Bridge on Cooperstown Road, located approximately 4.9 miles northwest of the unincorporated community of La Grange. The existing bridge was built in 1920 and is in need of replacement for improved safety and to meet current road standards. Stanislaus County intends to replace the existing bridge with new single-span cast-in-place, reinforced concrete box girder bridge with Type 85 concrete barrier railings. Construction of the new bridge is anticipated as early as 2026, if funding becomes available. The construction of the new bridge would take approximately eight months with access over the creek provided by an adjacent temporary detour. Signage and public outreach would inform the community of the closure and local detour.

#### WHY THIS PUBLIC NOTICE? ¶

Stanislaus County has studied the effects this project may have on the environment. The studies within the Initial Study with Proposed Mitigated Negative Declaration show it would not significantly affect the quality of the environment. This notice is to advise you that the preparation of this report has been completed and is available for you to review.

#### WHAT'S AVAILABLE?

An Initial Study with Proposed Mitigated Negative Declaration has been prepared and is available for review beginning **Thursday, June 20, 2024 through Monday, July 22, 2024**. During the public review period, a copy of the Initial Study with Proposed Mitigated Negative Declaration will be available at:

- Stanislaus County Public Works, 1716 Morgan Road, Modesto, CA 95358; and
